1. The first of the two main points is that the  
present situation is not a new one. It is a  
repetition of what has happened many times before.

2. The second point is that the present situation is  
not a new one. It is a repetition of what has happened many times before.

3. The third point is that the present situation is  
not a new one. It is a repetition of what has happened many times before.

4. The fourth point is that the present situation is  
not a new one. It is a repetition of what has happened many times before.

5. The fifth point is that the present situation is  
not a new one. It is a repetition of what has happened many times before.
